Do you want to work in a residential facility, community agency or day centre? This course will widen your ability to provide holistic care. You will gain the knowledge and skills required to assist with design, implementation and evaluation of health and leisure programs.

This qualification reflects the role of workers with responsibility for designing, implementing and evaluating health and leisure activities, and programs for clients in one or more sector areas. Work may be in residential facilities and/or in community agencies and day centers. Workers work under supervision or as sole practitioners and may be required to plan, coordinate and evaluate other workers and work teams within broad but generally well-defined guidelines.

Pathways from the qualification

Degree level programs in Nursing

Career Opportunities in the Industry

This qualification addresses work primarily in residential facilities under direct or regular supervision within clearly defined organisation guidelines and service plans.

Assessment Methods

The following assessment methods but not limited will be used during this qualification: Direct Observation, Assignments, Project, Student Presentations, Case Study, Practical Demonstrations, Written Assessments and Log Book.

Modes of Delivery

This program is delivered in a classroom based environment with access to a Practical aged care lab for practical components of the course. In addition students will also be required to undertake a practical placement in a workplace environment under supervision to ensure the student can perform the work as expressed in each unit of competency. Each unit is delivered and assessed as a standalone unit. This program also contains an e-learning component to consolidate their learning.

Fees and Charges and Refunds

Please refer to HIC’s Fees and Charges Policy and Refund Policy available online http://hic.vic.edu.au/documents/forms-policies-international/. For Total Course fees please contact HIC at admin@hic.vic.edu.au

Overseas Student Health Cover (OSHC)

All International Students must have Overseas Student Health Cover (OSHC) for the entire duration of their stay in Australia. This requirement constitutes a Visa condition stipulated by the Australian Government. OSHC allows students access to out of hospital and in hospital medical services.
