LEISURE AND HEALTH
CRICOS CODE: 092054B

Do you want to work in a residential facility, community agency or day centre?

This course will widen your ability to provide holistic care. You will gain the knowledge and skills required to assist with design, implementation and evaluation of health and leisure programs.

This qualification reflects the role of workers with responsibility for designing, implementing and evaluating health and leisure activities, and programs for clients in one or more sector areas. Work may be in residential facilities and/or in community agencies and day centers. Workers work under supervision or as sole practitioners and may be required to plan, coordinate and evaluate other workers and work teams within broad but generally well-defined guidelines.
