### CHC50121 DIPLOMA OF EARLY CHILDHOOD AND EDUCATION CARE CRICOS CODE: 111865E

**Do you want to work with children, look after children at home or in a childcare centre?**

**This course will widen your ability to provide holistic care. You will gain the knowledge and skills required to assist with children of all ages in various environments such as at home, at work or in dedicated childcare centres.**

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education services in Australia. Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations. They use specialised knowledge and analyse and apply theoretical concepts to diverse situations. They may have responsibility for supervision of volunteers or other educators.

Early childhood educators work in long day care centres, family day care, pre-schools, or kindergartens.

To achieve this qualification, the individual must have completed a total of at least 280 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency that includes the requirement for workplace hours.
